

MEDTRONIC DIABETES

PATIENT DATA FORM

Dear Customer

Thank you for choosing Medtronic.

EXPECTED TIME LINES FOR ACCOUNT SET UP

- New patient, new pump (up to 8 working days)
- Existing Medtronic pump upgrade (up to 5 working days)
- Change to funding (up to 3 working days)
- Already funded for pump – CGM only (up to 5 working days)
- New patient account setup only (up to 5 working days)

WHAT TO DO IF YOUR PATIENT CHANGES ADDRESS OR THEY ARE NO LONGER UNDER YOUR CARE?

If your patient changes their address, transfers hospitals, or their invoicing details change, **Medtronic must be informed before their next order is placed**, so their account details can be updated. Please note if these changes are not reported to Medtronic, shipments may stop.

Medtronic insulin pump users can benefit from ordering their consumables online 24/7 via the Medtronic eShop. If your patients would like to be sent more information about this then please complete the final section.

MEDTRONIC WILL ONLY BE ABLE TO ACCEPT A COMPLETED PATIENT DATA FORM WHEN ACCOMPANIED WITH AN OFFICIAL PURCHASE ORDER DOCUMENT

Please add any further comments to the last page of this form. If you have any questions whilst completing this form then please contact us:
